

ADMISSION TO GRADE 0

Enrolment

Boys: 78 pupils per grade per year

Girls: 78 pupils per grade per year (2015 onwards)

Waiting lists are categorized into High Priority, Priority and Chronological lists according to the criteria set out below. However, it should be noted that a place cannot be guaranteed simply by placing a child's name on the waiting list.

Late applicants who fall into the High Priority or Priority placement category, will be prioritized, but may be further down the waiting list than had the application been made earlier. Gr 0 Intake Procedure

Electronic communication is sent out in July two years prior to starting. Families who have been given acceptance will receive further communication in November of the same year. This will be followed up by telephonic communication in January/February the year prior to commencement. Acceptance fees are required to be paid by end of March for families who have been offered places.

Should places still be available thereafter, these will be offered to Priority Placements and then to the Chronological Waiting List. Applications which have 3 points will be offered first, then applications with 4 points, and so on.

NB: If you have not heard from us by March of that year, kindly contact the Junior Prep to clarify his/her standing.

Unsuccessful Placement and Rolling Option:

If you have not heard from St Peter's by September the year prior to your child starting, unfortunately all places have been filled. You are welcome to contact St Peter's at any time for clarification of your child's chances. Applications will remain on the waiting list for the year of application should a place become available during the course of the year. You will have the option to roll his/her application to the following year.

NB: It is essential that St Peter's is informed of updated email addresses and cell phone numbers. Communication will be distributed via email. The Admissions Officer will communicate **via email** on an ongoing basis requesting parents feedback should you wish to roll the application over to the following years waiting list.

Gr 1 – Gr 7 Waiting List Procedure:

A terms notice is required from current pupils. The waiting list will be addressed should we receive notification of a family/ies leaving.

High Priority applications (siblings, children of Old Boys/Girls, staff and returning pupils) will be offered first. Thereafter, applications are offered chronologically. An assessment will be arranged.

The place will be offered or declined after assessment is complete and financial checks are done.

Should St Peter's offer a place and the place is declined, the application will drop to the bottom of the waiting list.

NB: It is essential that St Peter's is informed of updated email addresses and cell phone numbers. Communication will be distributed via email.
