

Dear Parents,

WORLD ENVIRONMENT DAY – 05 June

During prayers we have linked our values to caring for our environment in preparation for World Environment Day. This week we have been speaking about plastic and the damage the use of plastic has on our environment, especially the oceans. Plastic straws were discussed and the boys have been made aware of the availability of bamboo and metal straws. We also discussed the discovery of an enzyme, which was “discovered” by mistake, that is breaking down PET plastic (from the University of Portsmouth, UK). This caused much excitement amongst our boys. Part of the Environment Day will be to launch a collection of plastics towards the making of owl houses from recycled plastic. The boys are very aware, at this stage, and we ask that you take time to discuss this element of our environment with your son.

GRADE COFFEE MORNINGS

Thank you to the parents from Grade 0-2 who joined me for “Stop, Start, Continue” discussions during the first Fridays of this term. These conversations are always valuable and help to ensure our boys’ days at school are happy.

DID YOU KNOW?

The maximum RDA (recommended daily allowance) for sugar for a child aged 7 to 11 years is 6 teaspoons a day.

- A 200ml Ceres Apple Juice contains around 3 teaspoons of sugar.
- 600ml Powerade contains around 8.8 teaspoons of sugar.

How much sugar are we giving children in one drink?

Read the label:

To calculate the number of teaspoons of sugar, divide the number of grams of total sugar by 4.

For example: If a 500ml drink has 60 grams of sugar, divide 60 by 4. That equals 15 teaspoons of sugar!

COFFEE MORNING – BIOKINETICS

COMMUNITY PARTNERSHIP

Parents are reminded that we continually need volunteers to assist at Diepsloot Combined School on a Tuesday morning. Due to illness we often require extra support in winter.

GOLDEN MOMENT

A Grade 0 boy visited the Bike Park over the weekend. He had a plaster on his knee and told me that his bike had tripped over a stone and he fell!

Stay warm and have a lovely weekend.

Warm regards,

Kenda Melvill-Smith

There is also complimentary tea and instant coffee available in case you are not able to pay for the machine coffees. Please note that this is based on an honesty system, and at the moment we are noticing that **only 80%** of the coffees are being paid for.

Due to an unfortunate spate of theft, as well as to not everyone paying for the coffee, we are moving to a completely cashless system. **COFFEE WILL NOW BE PAID FOR VIA SNAPSCAN ONLY.** Simply scan the barcode and follow the instructions on the app. If you do not have the app, please use our complimentary Wi-Fi to download it and you can use immediately. JOIN US FOR A DAY OF FUN!

The 10th Beaulieu MTB & Trail Run Challenge will be held at Riversands Farm Village on 10 June 2018. The event includes a 5km, 6km and 12km trail run and 2km, 5km, 18km and 45km MTB routes.

A good mix of gentle trails, jeep track and plenty of new single track will keep those legs working from start to finish. The routes meander along a good mix of jeep and single track and the 12km trail run takes athletes into the beautiful Nyamini countryside of long river courses, pine and gum tree forests. The 18km trail run is a fun run and is manageable for less fit and first time trail runners.
