

THERE IS NO ARTICLE FROM ROB MACAULAY THIS WEEK AS HE IS AWAY ON STRATEGIC PLANNING.

SICK CHILDREN

A child who is sick will not be able to perform well in school and is likely to spread the illness to other children and staff. Please do not send your child to school if he/she has:

- Fever in the past 24 hours
- Vomiting in the past 24 hours
- Diarrhoea in the past 24 hours
- Chills
- Sore throat
- Strep Throat (must have been taking an antibiotic for at least 24 hours before returning to school)
- Bad cold, with a very runny nose or bad cough, especially if it has kept the child awake at night
- Head lice – until the child has been treated according to the nurse or doctor's instructions and has been cleared to come back into school by the nurse.

These guidelines are meant to serve the best interests of all the children in school.

PLEASE NOTE: There are many outstanding Medical Consent Forms, please send in to school.
