Message from the Headmaster

Dear Parents, Students and Staff,

This past weekend, my wife was sitting at the Exclusive Books store at the Bedford Centre in Bedfordview reading a book, when she was approached by an elderly gentleman who politely asked her to look after his belongings whilst he went to look for a book. On his return, he thanked her profusely and intrigued, she struck up a conversation with him.

He revealed that he has been retired for 25 years and was 90 years old. Even more intriguing was the book that he had taken off the shelf and was making notes from, it was 'Microsoft Word for Beginners'. He proceeded to tell my wife how important it was that he remain abreast of modern technology and how essential it was for him to communicate with his children and grandchildren.

This reminded me of a talk I did with our Matrics at the start of this year, it was simply titled 'Rose' by Author Unknown, and I would like to share this with you:

'ROSE':

The first day of school our professor introduced himself and challenged us to get to know someone we didn't already know. I stood up to look around when a gentle hand touched my shoulder. I turned around to find a wrinkled little old lady beaming up at me with a smile that lit up her entire being. She said, "Hi, Handsome. My name is Rose. I'm eighty-seven years old. Can I give you a hug?"

I laughed and enthusiastically responded, "Of course you may!" and she gave me a giant squeeze. "Why are you in college at such a young, innocent age?" I asked. She jokingly replied, "I'm here to meet a rich husband, get married, have a couple of children, and then retire and travel."

"No, seriously," I asked. I was curious what may have motivated her to be taking on this challenge at her age. "I always dreamed of having a college education and now I'm getting one!" she told me.

After class we walked to the student union building and shared a milkshake. We became instant friends. Every day for the next three months we would leave class together and talk nonstop. I was always mesmerized, listening to this "time machine" as she shared her wisdom and experience with me.

Over the course of the year, Rose became a campus icon and easily made friends wherever she went. She loved to dress up and she revelled in the attention bestowed upon her from the other students. She was living it up.

At the end of the semester we invited Rose to speak at our football banquet and I'll never forget what she taught us. She was introduced and stepped up to the podium. As she began to deliver her prepared speech, she dropped her 3 of her 5 cards on the floor. Frustrated and a little embarrassed, she leaned into the microphone and simply said, "I'm sorry I'm so jittery. I gave up beer for Lent and this whisky is killing me! I'll never get my speech back in order so let me just tell you what I know."

As we laughed she cleared her throat and began: "We do not stop playing because we are old; we grow old because we stop playing. There are only four secrets to staying young, being happy, and achieving success."

- 1. "You have to laugh and find humour every day."*
- 2. "You've got to have a dream. When you lose your dreams, you die. We have so many people walking around who are dead and don't even know it!"*
- 3. "There is a huge difference between growing older and growing up. If you are nineteen years old and lie in bed for one full year and don't do one productive thing, you will turn twenty years old. If I am eighty-seven years old and stay in bed for a year and never do anything I will turn eight-eight. Anybody can grow older. That doesn't take any talent or ability. The idea is to grow up by always finding the opportunity in change."*
- 4. "Have no regrets. The elderly usually don't have regrets for what we did, but rather for things we did not do. The only people who fear death are those with regrets."*

She concluded her speech by courageously singing "The Rose." She challenged each of us to study the lyrics and live them out in our daily lives.

At the year's end Rose finished the college degree she had begun all those years ago. One week after graduation Rose died peacefully in her sleep. Over two thousand college students attended her funeral in tribute to the wonderful woman who taught by example that it's never too late to be all you can possibly be.

"THE ROSE"

Some say, "Love, it is a river that drowns the tender reed,"
Some say, "Love, it is a razor that leaves your soul to bleed."
Some say, "Love, it is a hunger, an endless aching need."
I say, "Love, it is a flower, and you, its only seed."
It's the heart afraid of breaking that never learns to dance.
It's the dream afraid of waking that never takes a chance.
It's the one who won't be taken who cannot seem to give,
And the soul afraid of dying that never learns to live.

When the night has been too lonely and the road has been too long,
And you think that love is only for the lucky and the strong,
Just remember, in the winter far beneath the bitter snow,
Lies the seed that with the sun's love, in the spring becomes the rose."

Isn't it amazing how many people have stopped dreaming? Even at a young age when we should have the world full of opportunities at our feet, many young boys and girls do not have any dreams and aspirations. As Rose so eloquently put it, when we stop dreaming, we die.

We always need to have goals to aspire to, this gives us a purpose for living. So it is essential that no matter what age, Rose was 87 years old when she completed her degree, the 90 year old retired gentleman was learning the basics of computer usage, that we get up every morning with a purpose and goal.

In Futurum Fortiter

Kind regards

Mr Rui Morais
Headmaster

Grade 12 and Co-Curricular Prize Giving 11 October 2016**Grade 12 Academic Prize Giving****DILIGENCES**

We start with **Diligence**. Diligence certificates are awarded to all students who obtain diligence nominations from the teachers in a set number of subjects or Learning Areas. As a College we highly regard this acknowledgement - as it honours students who have worked consistently throughout the year by giving their best.

SOCIAL RESPONSIBILITY

For selfless commitment, dedication and valuable contribution to **Community Outreach**. The **Social Responsibility Trophy** is awarded to a learner who has displayed outstanding commitment and enthusiasm for Social Responsibility. The trophy for 2016 will go to **Tammy Classen** for dedicated, and compassionate community outreach and achieving 56 hours of Community Outreach over a period of two terms.

LIGHT OF CHANGE

LOC is an organisation, sponsored by Nedbank, that encourages students to collect plastic bags and makes them in a school bag with a solar powered light. Children who do not have access to electricity charge up the light when they walk to and back from school and they can then use these lights to study at night.

The two students have given generously of their time and service to this project in the campaign this year are:
Tadiwanashe Zororo and Shannon Louis.

WORLD CHALLENGE

World Challenge encourages self-development, leadership development and social interaction. This year students travelled to Madagascar. World challenge affords students the opportunity to be responsible for all the arrangements before departure and whilst visiting a foreign country. This includes working within the constraints of a budget whilst also encouraging saving strategies ensuring an even greater experience. Learning to overcome language barriers and cultural differences. Each student has the opportunity to lead their group at least once and make all the relevant decisions for that day. This is done under strict yet, non-invasive supervision where they are allowed to make mistakes in the absence of judgement, learning comes from correcting the errors and being accountable. World Challenge develops all the core values of the College, namely; Relationships, Responsibility, Respect and Resilience.

The leadership award for World Challenge as voted by World Challenge facilitators

Team 1 trophy to be shared by **David Malan and Mikayla Pearson**

Team 2 **Caleb Vergotine**

PRESIDENT'S AWARD

St Peter's College President Award Representatives, Tiffany Theron, Nikayla Chetty and Zanele Booi have represented St Peter's College while serving on the President's Award Youth Committee. (Certificate from the College)

Certificate & Badge issued from the President's Award

BRONZE: Imogen Imbert, Yogita Mohabir

SILVER: Promesse Nkongolo, Daniel De Castro, Sebastian Long

GOLD: Tristan Long and Michelle Smorfitt

SPORT ACHIEVERS

Trophy JUNIOR SPORTSMAN OF THE YEAR – 2016 - Nabil Saleh

Trophy JUNIOR SPORTSWOMAN OF THE YEAR – 2016 - Nicole Hepplewhite/Chiara Reddy

The Bruyns Trophy - SENIOR SPORTSMAN OF THE YEAR - 2016 - Sean Moodley

The Bruyns Trophy - SENIOR SPORTSWOMAN OF THE YEAR – 2016 - Jessica Penney / Michelle Ncube

CULTURAL ACHIEVERS

The **Trophy for Junior Cultural Achiever Boys** is shared between Ryan Pillay and Matthew Beekman. Ryan has excelled in Debating, Drama and Public Speaking, while Matthew attains recognition for his meritorious contribution to Drama and various Music ensembles.

The **Baltazars Trophy for Senior Cultural Achiever Boys** is awarded to Daniel Martin for excellence in Debating, Drama as well as Public Speaking.

The **Sarah Bernhardt Trophy for Senior Cultural Achiever Girls** is awarded to Michelle Smorfitt for exceptional commitment to the Arts on the Cultural Committee, Choir, Orchestra, Public Speaking and Rock Band.

2017 Prefects

Congratulations to our 2017 prefect body:

Head Prefects

Head Boy: Sean Moodley

Deputy Head Boy: Ronewa Netshiswinzhe

Head Girl: Chesnay Havenga

Deputy Head Girl: Jessica Webb

Sean Moodley, Chesnay Havenga, Mr Morais, Ronewa Netshiswinzhe, Jessica Webb

2017 New Students and Parents Welcome Evening

On Thursday, 17 October the newly elected prefects were put to the test when it came to our leadership skills. It was the new Grade 8s Orientation Evening. The hall slowly began to fill with very small and not so small awkward Grade 7s accompanied by their parents. The evening commenced with a presentation and speeches given by Mrs Monoyoudis, Mr Ilesley, Mr Morais, Mrs Howard and Mrs Else. After the lengthy talk given to the Grade 7s, their parents were dismissed to the MADD foyer for refreshments, while the prefects entertained them.

We started off with a mini introduction as to who we are and what we're about. A war cry was led by our Head Boy, Sean Moodley and the Grade 7s happily participated. It was fabulous. After that we got into our prior planned pairs and were allocated approximately 10 children, where we got to know our students, played fun games with them and made them feel at home, as best as we could. We had burgers, crisps and juice for dinner. After what seemed to be a really short evening, we said goodbye to our groups and everyone else.

A highlight of the evening was definitely how well the new prefect body worked together. During pack-up we sang war cries and immediately felt a sense brotherhood, which set the tone for future prefect gigs. Expect great things from the prefects of 2017!

Tour De Math

This year's season has been busy, and quite challenging some might say! However, we managed to come in the top 5 twice, being the successful mathematicians of St. Peter's College.

Tour de math has been a successful and engaging experience for all of us. We have grown past the difficulty of each question and learnt to enjoy each question- which definitely helped to improve our regular mathematics.

Unfortunately, our last paper was at Redhill on the 13th of October, marking the end of our season. This last round for the year featured awards for the top mathematicians out of all the participants, and of course, the paper was extra challenging as we were not allowed any calculators until the very last ten minutes.

Overall, Tour de Math has been an amazing growth experience for us students. It has improved our mathematical skills profoundly, and has allowed us the opportunity to meet new people and create new friendships.

All this would have not been possible without Ms Louw and Mr Havenga. Who, not only accompanied us to every league, but in the first place, made it possible for us to be a part of such a great experience.

Shréyan Maharaj and Tadiwanashe Zororo

Sports News

Individual Achievement

Congratulations to

- Bradley Cottle who was selected Captain of the SA Flyfishing Team.
- Jessica Goulding who, won 2 gold and 2 silver medals and came first overall for her age group as well as for the entire level 5 group at the SA Gym Games at the beginning of October.

Athletics

On Wednesday 4 October 2016, St. Peter's College had the privilege of participating in the **Inter-high B-League athletics** at Ruimsig Stadium. The participating schools were: AISJ, Christchurch, Kings College, Marion College, Rand College, St Dunstan's, St Peter's and Summit College.

St Peter's College managed to rank 5th, which is the same place as last year. Our athletics team must be commended for their constant effort.

The vibe was amazing and we supported each other in each race. The competition was very tough but we stay resilient. Well done to the following athletes for representing us and breaking records at such a prestigious event:

Event	Age group	Name	Place and Time
400m	U14	Natalie Molenaar	1st 1.05.56
400m	U15	Nicole Diepeveen	1st 1.00.12
400m	U17	Adrian Diepeveen	1st 52.37
800m	U14	Natalie Molenaar	1st 2.38.22
Long Jump	U14	Gemma Jaw	1st 4.55m
Long Jump	U15	Lawrence Ishekwene	1st 5.58m
Long Jump	U17	Mwande Nzima	1st 6.02m
High Jump	U17	Jamie Edwards	1st 1.45m
Shot put	U15	Jessica Frame	3rd 9.38m
Shot put	U15	Nicholas van Niekerk	1st 12.39m

Although hot, it was truly a day to remember because of the spirit. We do encourage more support next year as we have plans to move up the rankings. Well done College!

Promesse Nkongolo (Grade 11)

Basketball

1st Team (u16) vs St Albans Opens: Result Lost 37-1

Despite an undeniably lopsided score the simple metrics do not tell the entire story. The boys team conceded a third of the points they did in their previous encounter (as in the festival game against St Stithians where we conceded just 14 as opposed to 114 in their previous encounter), it is clear that the boys are buying into the coaches' vision. Offense is not our concern at the moment as my primary objective is to change their mindset and approach to games. Participation in all school sports must primarily comprise of fun.

Teams tend to shoot for 100 points vs our school. This will no longer be remotely possible. The boys had tremendous fun in frustrating their opposition and were cheering small contributions, this is immense for their personal growth. The offense will come, in time. I am very pleased.

1st Team girls (u16) v Redhill: Result Lost 17-15

Despite holding an historically positive record against this school, I am not at all concerned about having lost. The girls will struggle with the transition from a 'netball' styled game to actual female basketball. It is a growing and learning

process but will bear many fruits and huge results in the future. The girls already have the physical predispositions to become an elite squad, with learning and growth they will be unbeatable. Caitlin and Mbali are huge prospects for the future and may prove to be the best female players we have had. They enjoyed their game and it came down to a last second shot which was unfortunately missed. This is the type of excitement that basketball can bring for the crowd and participants and it is crucial that they took part in it as main actors, despite their having lost. The girls have a lot of character and charisma and are a tightly knit group, this in and of itself, coupled with real basketball skills developed over time, will prove to be unbeatable.

First Team (u16) v St Johns Opens: Result Lost 52-16

In a four quarter stop-time game, (very lengthy) once again our boys did a phenomenal job of keeping the opposition's score low. Progress is being made at a rapid pace. For the first time, oppositions are leaving fixtures against our school disappointed, they did not score their season high nor did they manage to exert their will- instead, they faced opposition.

First Team (u16 girls) v Michael Mount Opens:

This particular fixture will be rescheduled as Michael Mount had twice previously cancelled the fixture due to a lack of players. Michael Mount is a good school and quality opposition for our girls- in fact they are our biggest rivals! The girls have been dealt a bevy of forfeited or cancelled fixtures and as the new incoming MIC of basketball at St Peters I can ensure that this will not happen in future. Our girls are a truly special group with all the physical predispositions of a successful female basketball team- a combination of height, athleticism, strength and agility. On top of all of this they have incredible team chemistry.

Mr Filip Golubovic

MIC: Basketball

U14 Boys Won 9-1	U15 Boys Won 9-1
U15 Boys Won 4-2	

Tennis

These past 2 weeks, both the boys and girls have played matches in which they were undefeated. The boys played Michael Mount and the girls played St Mary's and Linden Hoër.

The boys' match against Michael Mount was impressive. All the boys won their singles as well as their doubles. Alvaro Legoinha, Matthew Harris, Jason Raw, Jonty Webb, Michael du Plooy and Vladimir Telkiev played tennis which was of an exceptional standard.

The girls' match against St Mary's ended in a draw. The A side, which is St Peter's, beat them while the B side (Beaulieu) lost against St Mary's. Linden Hoër is a school which should not be underestimated. Tuesday's weather allowed us to play the first round. Our girls walked out of it with a 12/9 win for the first round. Once again, it is an honour to be part of St Peter's College where we were complimented on our court conduct.

On Saturday, 15 October, the **Junior Tennis Inter high** took place. Only Grade 8 and 9 girls are allowed to participate in this competition. The girls played their hearts out but were up against very strong competition in the first pool like Helpmekaar, St Mary's and Roedean. Their games against Kingsmead, Fourways, St Teresa's and Heronbridge were on a different level. They beat these schools and ended in the 13th position. It was a day filled with lots of sunshine, wind and cheerful spirits. Mikaela Gounden, Jessica Harris, Tanya Paul and Laura Lyle did St Peter's proud with their on and off court behaviour, attitude and skills.

Mrs Cornel Malan

Exchange Student to Argentina

I recently returned from a 6 week cultural immersion in Argentina where I went to live with a family who only had limited English but very big hearts.

I went to live in Metan, a small town in the province Salta, which is in the northern part of Argentina. It has a population of 45,000 people, which means everybody knows everybody. I was sent to the Buitrago family in Metan who have six children already – I was number seven and the oldest! That was in itself quite an experience from being an only child to having six siblings. However the family was very welcoming and made my experience really memorable. Dinner time and getting around as a family of nine taught me a lot about logistics and the power of being at the table or in the car first.

The school there is very different! My school was fairly small, there was one class for each year. The students were all very nice and interested in South Africa, but very few spoke English. After six weeks, communicating was easier as I was then able to understand a bit of Spanish (which is a really difficult language). They have a few different subjects to us, such as Greek and Philosophy, but also have the same subjects, such as Biology and Maths. The pass rate for Maths is 60% in Argentina. Oh! I also managed to pass the English exam.

One thing I couldn't get used to was the siesta time. Everything in town was dead from 14:30 – 16:00 and then busy at 22:00 after dinner. Another shock was the kissing. In Argentina they kiss everyone hello and goodbye on the cheek. The Argentinians are very loud! They all talk really fast and all at once. So group get together were really overwhelming.

It was an absolutely amazing experience that I am really grateful to have had the opportunity to do. I learnt so much in such a short space of time. I am definitely going to miss my host family and friends in Argentina. I would also recommend exchange to anyone wanting to learn about a foreign culture. Muchas Gracias.

Caitlin Goodman (Grade 10)

Caitlin and her host sister, Juana

The view is of the mountains right outside my house

Christmas Carols and Market

LIMITED SPACE AVAILABLE – book now

Saturday, 3 December 2016.

This concert usually draws in excess of 2500 spectators.

The St Peter's Foundation invites you to participate in the **Christmas Market**, which is held prior to the Carols. This is a wonderful opportunity to sell your goodies!

To further support the fundraising efforts, a glossy **A4 Carols brochure** will be distributed to all the attending parents, grandparents, St Peter's staff and friends. This is a fantastic platform to advertise.

**For Christmas Market details, contact Amanda or Dalene
at carols@stpeters.co.za**

**For the Carols brochure details contact Monica
msloane@stpeters.co.za**
