### Message from the Headmaster

Dear Parents, Students and Staff,

I remember reading an article written by a Headmaster a number of years ago which struck a chord with me at the time, where he highlighted his observations of two schools in the suburb he resided in.

When he drove past the first school on his daily commute to work to and from work during the school week, or alternatively on weekends, the school fields, courts, swimming pool, as well as, the buildings were a constant hive of activity, with students, teachers and coaches engaged in a myriad of sporting, cultural and academic programmes. When he drove past the second school, the grounds were always empty, there were no cars in the parking and the school gates were closed.

He proceeded to compare the results of both schools, whether in the academic, sport or cultural spheres, and naturally the first school outperformed the second in all areas. The conclusion that he came to was that a good measure of a high functioning educational institution is whether there is a high level of activity, which indicates that teaching and learning is taking place.

I am often astounded at the high level of engagement of our students and staff at St Peter's College. This past week we hosted the following events:

#### Wednesday, 14 June:

- We played St Dunstan's College in a rugby fixture on de Klerk Field
- Played our final netball league fixture against St Stithians Girls where all our netball teams acquitted themselves extremely well against very strong opposition.
- Squash 2nd team played against Beaulieu College
- Attended the end of season hockey dinner which was a wonderful celebration and acknowledgement of the wonderful achievements of our hockey players in the 2017 season.

#### Thursday, 15 June:

- We celebrated Youth Day with a moving Eucharist Service led by Father Trevor Prince.
- I was privileged to attend the Arts and Culture Grade 8 Dance class production of "Earth, Wind & Fire". Congratulations must go to Mr Botha and the Grade 8 Dance Students on an outstanding performance.

#### Saturday, 17 - Sunday, 18 June:

- Our 1st Team squash won a 3 way play off between Parktown Boys and Bryanston High to the win the Gauteng B League.
- Our Equestrian team participated in the Equestrian qualifiers on both Saturday and Sunday.

#### Monday, 19 June:

- Drama Production of '500 Days of Summer' will be running this week - I want to congratulate Mr Doneda, Mrs Miles and the Drama Students on the high quality of this production. I am often astounded by the professionalism displayed by our Drama Department.

#### Tuesday, 20 June:

- Drama Production of '500 Days of Summer'
- Grade 10 and Grade 11 Parent's Consultation.

#### Thursday, 15 June - Tuesday, 20 June:

- We hosted a USA based soccer scholarship programme called Black Rock FC in which a number of our students participated, with a focus on soccer skills, and most importantly on academic standards.

I am most grateful that we have a highly committed staff, parent and student body who grasp the numerous opportunities provided at St Peter's College.

I want to inform you that our HOD of Afrikaans Mrs Joan Delport has resigned and will be leaving at the end of December 2017. Joan will be taking up the post of HOD of Afrikaans at St Peter's Boy's Prep with effect from January 2018. We wish Joan all of the best in her new position. We are in the process of interviewing for Joan's replacement and are hoping to make an announcement on her replacement fairly soon.

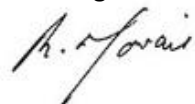

The half-term break is a wonderful opportunity for our students to prepare for the examinations, especially the Matrics who will be writing prelims in July. I urge our Matriculants to make use of the Winter School Programme over this period which is designed to assist with exam preparation.

I will be attending a Headmaster's course at Harvard University in the USA over half-term called 'Improving Schools: The Art of Leadership'. The programme is designed for Heads of school to identify areas of improvement, establish priorities, develop strategies, and build a base of support around a change initiative. I will have the opportunity to explore successful models for school improvement and understand how to implement curriculum innovation. This is a wonderful opportunity and I will be reporting back on my experiences on my return from the USA.

Have a wonderful half-term break.

*In Futurum Fortiter*

Kind regards

Mr Rui Morais  
Headmaster

### Pit Produksie Helps Matrics with Afrikaans Setwork

On 9 June, the Grade 11 and 12 St Peter's College Afrikaans students were joined by the Grade 12 pupils from Beaulieu College, Summit College and Michael Mount Waldorf School to indulge in an entertaining performance by Pit Produksie.

Pit Produksie is a group of three to four actors who travel to various schools around South Africa, giving the students a visual representation of the Grade 12 literature setwork, 'Hoopvol', as well as reciting some of the matric poems with an amusing twist. Despite already having had the privilege of watching the performance last year, the matric St Peter's students were excited to see what Pit Produksie had in store for them this year.

Through lots of interaction with the audience and witty side comments in the 'Hoopvol' performance especially, the actors had us gripped. We walked out of the hall with a much better understanding of the setwork and poetry thanks to Pit Produksie.

A huge thank you goes to Pit Produksie for their enthusiastic dramatic production, and to the Afrikaans teachers for organising this special treat for us.

Who would have guessed? Afrikaans KAN eintlik pret wees!

### French Students Treated to Tartuffe

On Thursday, 22 June the Grade 11 and 12 French students went to the Joburg Theatre to watch *Tartuffe*, a play written by Jean-Baptiste Poquelin, better known as Molière - also considered the French Shakespeare.

The play was very amusing thanks to the extremely talented actors. Their dialogue was very well-structured as there was a rhyming element to it.

The story was about an opportunist, Tartuffe, who completely brainwashes a wealthy man, Orgon, into giving him all his fortune. Orgon's family sees the sinister side of Tartuffe and tries to get rid of him. However, Orgon is so blinded by Tartuffe's façade that he even attempts to break off his daughter's engagement to her one and only love and make her marry Tartuffe.

We all enjoyed the play. It was magnifique!

### Hot Chocolate and Mathematics Go Together

Friday, 9 June was a particularly cold morning, but the Grade 9s were in luck as they had Mathematics at the start of the day! What better way to learn about Rate, Ration and Proportion than a practical assignment making hot chocolate powder and then cups of hot chocolate? There were second and even third cups for some and special accompaniments, such as marshmallows and biscuits, emerged from the depths of their bags.

The Grade 9s learned that the ratio in which you mix ingredients determines the outcome of the final product. They discovered through the accompanying worksheet that homemade hot chocolate costs approximately R1,70 per cup and the commercial brands cost about R3,00 per cup.

Here is their recipe:

#### Hot Chocolate Powder

125g Cocoa Powder  
250g Milk Powder  
125g Cremora  
500g Icing Sugar  
2 teaspoons Cornflour  
1 teaspoon Salt

Pour all ingredients into a 2 l container with a tight-fitting lid. Put the lid on and shake vigorously until everything is well combined.

Use 2 heaped teaspoons (approx. 20 g) per 250 ml of boiling water to make hot chocolate.

Makes 1 kg powder.

### Tour de Math

On a chilly 8 June, ten of our students participated in the fifth leg of the Tour de Math (TDM) which took place at St Stithians College. As usual, we jump-started our brains with our traditional McDonald's treat.

The high-thinking, problem solving paper started off with easier questions and progressed to more challenging, difficult questions, and as it turned out, only one group of four students, from over fifty groups could correctly answer the final question. For the first time ever, primary schools were included in the event. The primary school students wrote different papers to the high school students and it was incredible to see the level of mathematics 'little people' could do.

We unfortunately did not place in the top three but did make sure we didn't leave empty handed. Two of our students, Joshua Jandrell and Keshin Bheema won lucky prizes. They both received Casio K-L 60 Label Machines worth about R700 each.

We all thoroughly enjoyed our evening, being able to socialise with people from other schools as well

as reuniting with a few whom we went to Primary school with. Thank you to Saints for accommodating us all in a comfortably heated hall on such a cold night.

The next leg will be on 28 September at St Dominic's School. If anyone is interested in joining Tour de Math (TDM), please speak to either me or Kailin Naidoo (Grade 10). It is open to all students from Grades 8-10 and is generally held every 3-4 weeks.

*Matthew Beekman (Grade 10)*

## Student Affairs

### Prefect Voting

The College was abuzz with excitement on Thursday morning as students filed into the Computer Centre to cast their votes for the Prefects of 2018. After a long campaign the Prefect candidates can finally breathe a sigh of relief as the last vote was cast just before tea break. I can only imagine how difficult it might have been to make a final choice as all the candidates have so much to offer. It is admirable that so many Grade 11s have chosen to stand for the position of Prefect in a desire to serve their school. This is a clear indication of their love and pride for the College. I wish all the Grade 11s every success and end with a quote of Nelson Mandela: "The youth of today are the leaders of tomorrow."

### World Challenge 2018

As the pressure of the July Examination starts to tighten its grip on the students, there are twenty nine students who are starting to feel the excitement of the World Challenge Tour to **Vietnam**. Yes five weeks to go.

Much fundraising and planning has taken place and we are all but set to go, however, there is a small yet important distraction to get through... the July Examinations. Good luck all the students. Once The Examination is over it will be one week to take off.

Preparations are also already underway for the 2018 World Challenge Tour to **Morocco**. Applications are starting to come in.

If you are still considering whether to send your child then please contact Ms Theron ([therons@stpeterscollege.co.za](mailto:therons@stpeterscollege.co.za)) or Ms Meyer ([meyers@stpeterscollege.co.za](mailto:meyers@stpeterscollege.co.za)). We are more than happy to speak with you and or send you further information.

## SnapScan for Payments at the Tuckshop

Having cash on your premise always creates a security risk for the people handling the cash. With this in mind, we would like to promote the use of the SnapScan App facility for school functions. This is such a simple way of making a payment. SnapScan is linked to your credit card. In light of this, the College Tuckshop has implemented the SnapScan.

## No cash. No card swipes. Simply pay with your phone.

Works with any South African Bank

### Safe

Your card details are securely encrypted on your phone. We don't have access to them, and neither will the shop you're buying from.

### Easy

Just download the app and link your credit or debit card. In less than 5 minutes, you're good to go!

### Convenient

SnapScan lets you pay for the goods and services you need, wherever you are. No cash or cards needed!

### Free

SnapScan is free to use, with no additional charges to you as the user. Network providers' standard data charges will apply.

### Step 1: Snap

Open SnapScan and use your phone's camera to scan the SnapCode displayed at the checkout or on your bill.

### Step 2: Pay

Enter the amount you want to pay and confirm payment with your 4-digit PIN.

### Step 3: Go!

That's it. You're done! Make sure the merchant has received proof of payment.

## CULTURAL NEWS

### Art Task Team Backstage with Priscilla

On Wednesday, 15 June, the Art Task Team was very privileged to have a guided tour of the Priscilla: Queen of the Desert backstage. The show takes place at the Montecasino Teatro, which is South Africa's largest lyric theatre, where they have had spectacular shows such as Lion King or The Phantom of the Opera.

Our guide and Technical Manager of the Teatro, François, explained the basic plot of the story as well as what the different props are used for. We learnt about the fundamentals of set design and the practical workings of the set and props. From what François explained, there is not only choreography on stage but also offstage for the safety of the actors. We were also given the opportunity to view the distinctive character of Priscilla (the life size camper van) up close and a few of the lighting tips and stage tricks of how she is animated in the play were shared with us. We also fortunate to 'snoop' around the array of enthralling costumes that are used for the various scene changes for the 30+ cast backstage. The show ends this Sunday and the set looks spectacular.

### Earth, Wind and Fire Junior Dance Evening

What talent our Grade 8s and 9s possess! On Thursday, 15 June, the junior grades participated in a short evening of dance. The work was commissioned to commemorate the music group "Earth, Wind and Fire" and exposed our dancers to the Contemporary Dance Style. It is "site specific", meaning they dance in unusual areas linked to the dance.

The students were duly split into three groups; each representing an element.

The first group to dance was the group representing Earth. With intricate and creative dance moves, the juniors really pulled off a great piece! As soon as the dance was done, everybody had to relocate from the Nelson Mandela field where the first dance was, to the quad where the second dance took place. It quickly got dark outside and the cold, crisp air began to set in. However, this did not stop the second group's dancers, representing Wind, to dance to their full abilities. The dancers used up the space in the quad strategically and the dance was brilliant.

Group three represented Fire. Once again, their piece was very well-done with the perfect music choice and location. This dance was presented on Albert Luthuli field, where the audience observed from the pavilion's balcony. There was, unfortunately, an audio error where the music spontaneously stopped playing halfway through the dance! But the dancers bounced back and began to sing the song and continue dancing, showing their dedication and ability to utilise the "the show must go on" concept.

All in all, the evening was spectacular. Our juniors have such talent and I hope to see more of this talent in the years to come!

### Drama: Festival of Excellence in Dramatic Arts (FEDA)

Over the course of May the Senior Drama students took part in the largest and most prestigious Drama Festival in Gauteng, hosted at the Joburg Theatre. 67 Productions were created by students across the province.

St Peter's College created a clowning production called "**Les Chefs**" which dealt with how to create political and person resistance through creativity.

The students did extremely well and the following are some of their achievements in the festival:

- Certificate of Excellence - Michaela Mathieson (for directing)
- Certificate of Excellence - Yogita Mohabir (for directing)
- Certificate of Excellence - The Cast (for ensemble)
- Certificate of Excellence - The Cast (for best vocal landscape)
- Certificate of Excellence - Timothy Guyler (for sound)
- Certificate of Excellence - Tarynn Davies (for lighting)
- Certificate of Excellence - The Cast (for mask work)
- Certificate of Excellence - The Cast (for best young clown)
- Award for Original Script
- Award for Set
- Award for Costume
- The Xander Pretorius Trophy for the Most Innovative and Cutting Edge Production of the Festival

Congratulations to all the students who took part in the production:

Zantia Bainbridge; Draven Bucceri; Tarynn Davies; Daniel Duke; Matthew Garrett; Timothy Guyler; Imogen Imbert; Annayah Karaha; Sarah King; Sebastian Long; Michaela Mathieson; Sifiso Mbatha; Yogita Mohabir; Didintle Mokae; Ollie Msiza; Chris Mukheibir; Tino Ndudzo; Tumi Ntoele; Patrick Odame; Shannon Webb.

### Drama: 500 Days of Summer

From February our physical theatre students have been working on this adaptation of what has become a classic film for teenagers. It was our first attempt at creating a 100% full length physical theatre production, and it has taken us 10 years to get to this stage. It would not have been possible without Nicola Haskins and Bailey Snyman (both professional lecturers in Drama, and world class dancers). They have treated our students with the utmost care, integrity and professionalism over the years, engaging in safe practice, yet still challenging the students to push their bodies to tell stories. We were also assisted by Mrs Miles, Mrs Jackie Edwards (for Design), the Marketing Department, the Drama Production Company, Charles Stotthard from Centre Stage for staging, Emil and Kwame for lighting from PopArt, Ms Lynda Paizes for Catering, and our amazing costume designer, Ms Yolande Donnelly.

I am so inspired by the whole cast, especially the leads for taking on such a mammoth task. We have always put on one or two physical theatre pieces, but the male leads had fourteen pieces to learn. I am so inspired by the courage of the Grade 9 boys who pushed themselves beyond my expectations to perform at a fantastic level.

Thank you to Mr Morais, Mr Botha, Mr Armitage and all who support Drama in the wonderful way they do. I also thank the Sports Department for working with us to create fully rounded St Petrians who walk the talk of our College's mission statement.

The cast and crew were: Mr Jubber; Rhys Floyd; Liam George; Daniel Duke; Zantia Bainbridge; Ollie Msiza; Matthew Garrett; Sebastian Long; Chris Mukheibir; Sifiso Mbatha; Tinotenda Ndudzo; Annayah Karaha; Tarynn Davies; Yogita Mohabir; Michaela Mathieson; Imogen Imbert; Shannon Webb; Sarah King; Sabrina McGhie; Sage Palombo; Mekela Bastos; Ntando Mabuya; Tyler-Maddison Thokoane; Nolitha Magombo; Kristine Mahony; Tatum McGraw; Kerri Tucker; Yuvish Premall; Kian van der Walt; Sicelo Mgaga; Aiden Enslin; Matthew Harris; Alexander Hook; Aidan Johnstone; Robert Lunney; Filip Poludniak; Bryce Young; Jessica Goulding; Natalie Molenaar; Brayden Green; Kaitlin Elliott; Chloe Morrison, Mbali Mulaudzi.

"And once the storm is over, you won't remember how you made it through, how you managed to survive . . . but the one thing is certain. When you come out of the storm, you won't be the same person who walked in. That's what the storm is all about." - *Murakami*.

The storm and the seasons have left '500 Days of Summer' behind us as we plan new Drama adventures, but we will never forget it and how it changed us. We certainly hope the audience loved watching it as much as we loved making it.

Yours in the Arts

## Hockey

On Saturday, 10 June, the 1<sup>st</sup> Team Hockey Boys and Girls competed in the St Peter's College Annual Astro Hockey Tournament.

Our boys started off well, winning their first game against Sacred Heart, 10-0. They then played Redhill where they beaten 1-0. Southdowns College was the game where they won 2-0, but then lost against Helpmekaar. Thanks to the high positive goal difference, they advanced into the semifinals and beat Helpmekaar 2-1!

The 1<sup>st</sup> team Hockey Boys won the entire tournament for the very first time by beating Redhill in a penalty shootout.

The girls had a tough day but they persevered. They started off the day with two draws against Southdowns and Helpmekaar, 1-1. They then progressed to draw another game with Redhill 0-0. They moved on to the semi-finals but unfortunately lost against Southdowns 1-0. The girls then came fourth because they lost 1-0 against Helpmekaar.

Well done to all the hockey players for their spirit!

On Thursday 22 June the hockey teams played against Southdowns. The results are as follows:

1st team girls - lost: 2-1

1st team boys - lost: 2-1

2nd team girls - drew: 1-1

2nd team boys - lost: 2-0

U15 - drew: 2-2

U14 - drew: 0-0

U14 - won: 1-0

Congratulations to our St Peter's College hockey for a great season!
