20 YEARS

# BURSARY PROGRAMME

## GIVE A CHANCE FOR A BRAVER FUTURE

St Peter's College has a Bursary Programme in effect, which enjoys strong commitment, with both resources and funding, from the top (Council and the Executive) through to the Parents' Association. This programme offers children a holistic experience, which ensures academic assistance while nurturing the student's personal wellbeing, through regular support, while creating the most suitable environment to to encourage a bursary student to make optimum progress and reach his/her full potential.

### OUR VISION

Our vision is to encompass a complete **developmental plan** around each individual bursary student which will empower them to achieve their best possible **results**, while being **holistically supported** through the process.

Ultimately, we aim to extend the programme to undergraduate tertiary education and interns. We wish to provide boarding facilities for bursary students and interns where required.

### EXTENDING THE ADVANTAGES

We realise that students attending our school enjoy a quality educational environment with extensive facilities.

Our hope is to extend this advantage to children who do not have these opportunities.

### PLATFORM FOR SUCCESS

St Peter's College's well-rounded bursary programme creates the most suitable environment that encourages individuals to achieve their best possible results and reach their full potential.

*"In futurum fortier... Go bravely into the future"*

## TRACK RECORD OF SUCCESS OF THE BURSARY PROGRAMME OVER THE LAST 10 YEARS:

More than 10 students  
supported

Over  
**R 7,000,000**  
committed

**5** students  
currently on bursary  
programme

 Grade 8  
 Grade 10  
 Grade 11

## CONTRIBUTE AND ADVANCE A CHILD

St Peter's College is actively seeking donors to contribute financially and otherwise to our Bursary Fund to expand the intake of our bursary students. We invite you to partner with us to give a child - and South Africa - a chance at a braver future. Contribute monthly or make once-off donation. Every bit helps!

St Peter's College is a registered Public Benefit Organisation (PBO) and all income is invested directly back into the school. Donations are placed in our St Peter's Trust which is fully managed and administered by the St Peter's College finance department and audited by RSN South Africa Inc.

**It takes a visit to St Peter's College in Sunninghill to experience the 'magic vibe' that permeates the campus.**

**In our supporting environment, students enjoy opportunities presented to them:**

- Academics
- Various Sports
- Multiple Cultural Activities
- Community services

## BANKING DETAILS
