

ST PETER'S
COLLEGE
1998-2018 **20**
YEARS

BURSARY PROGRAMME

PAY IT FORWARD FOR A BRAVER FUTURE

St Peter's College is driving the development of future leaders and individuals who, despite their educational disadvantages and financial constraints, demonstrate high potential in academics, cultural and/or sport. They embrace a strong value system, sense of responsibility, and display strong leadership qualities.

EXTENDING THE ADVANTAGES

We, at St Peter's College, realise that students attending our school, enjoy the benefits that come with a quality educational environment with extensive facilities.

Through our bursary programme, we want to extend this advantage to children who do not have access to these opportunities due to their socio-economic situation.

PLATFORM FOR SUCCESS

St Peter's College's well-rounded bursary programme creates the most suitable environment that encourages bursary students to make optimum progress and reach their full potential.

Our Bursary Programme has assisted 10 students through our school over the last few years.

OUR VISION

Our vision is to encompass a complete **development plan** around each individual bursary student which will empower them to achieve their best possible **results**, while being **holistically supported** through the process.

Ultimately, we aim to extend the programme to **undergraduate tertiary education** and include **interns**, as well as provide **boarding facilities** for bursary students and interns where required.

"In futurum fortiter... Go bravely into the future"

It just takes a visit to St Peter's College in Sunninghill, Sandton on any given day to experience the "magic vibe" that permeates the campus.

Everywhere, students are visibly **enjoying the opportunities** presented to them... action on the sports fields, showcasing in the Music, Art, Drama and Dance centre, focus in the classroom and campaigning student-driven initiatives. The confident, well-rounded students and the excellent academic results are evidence that our holistic approach is a successful formula.

We offer so much and want to share it with children from our surrounding community who are committed to delivering their best and are ambitious future leaders.

CONTRIBUTE AND ADVANCE A CHILD

St Peter's College is actively seeking donors to financially contribute to our Bursary Fund to expand the intake of our bursary students.

We invite you to partner with us to give a child - and South Africa - a chance at a braver future. Contribute monthly or make a once-off donation. Every bit helps!

St Peter's College is a registered Public Benefit Organisation (PBO) and all income is invested directly back into the school.

Donations are placed in our St Peter's College Trust which is fully managed and administered by the St Peter's College finance department and audited by RSN South Africa Inc.

Banking Details

St Peter's College Trust Account | Standard Bank, Rivonia | Account No.: 420 060 596
