PRACTICES OF WONDER, CURIOSITY AND CREATIVITY

ST PETER'S
PRE-PREP

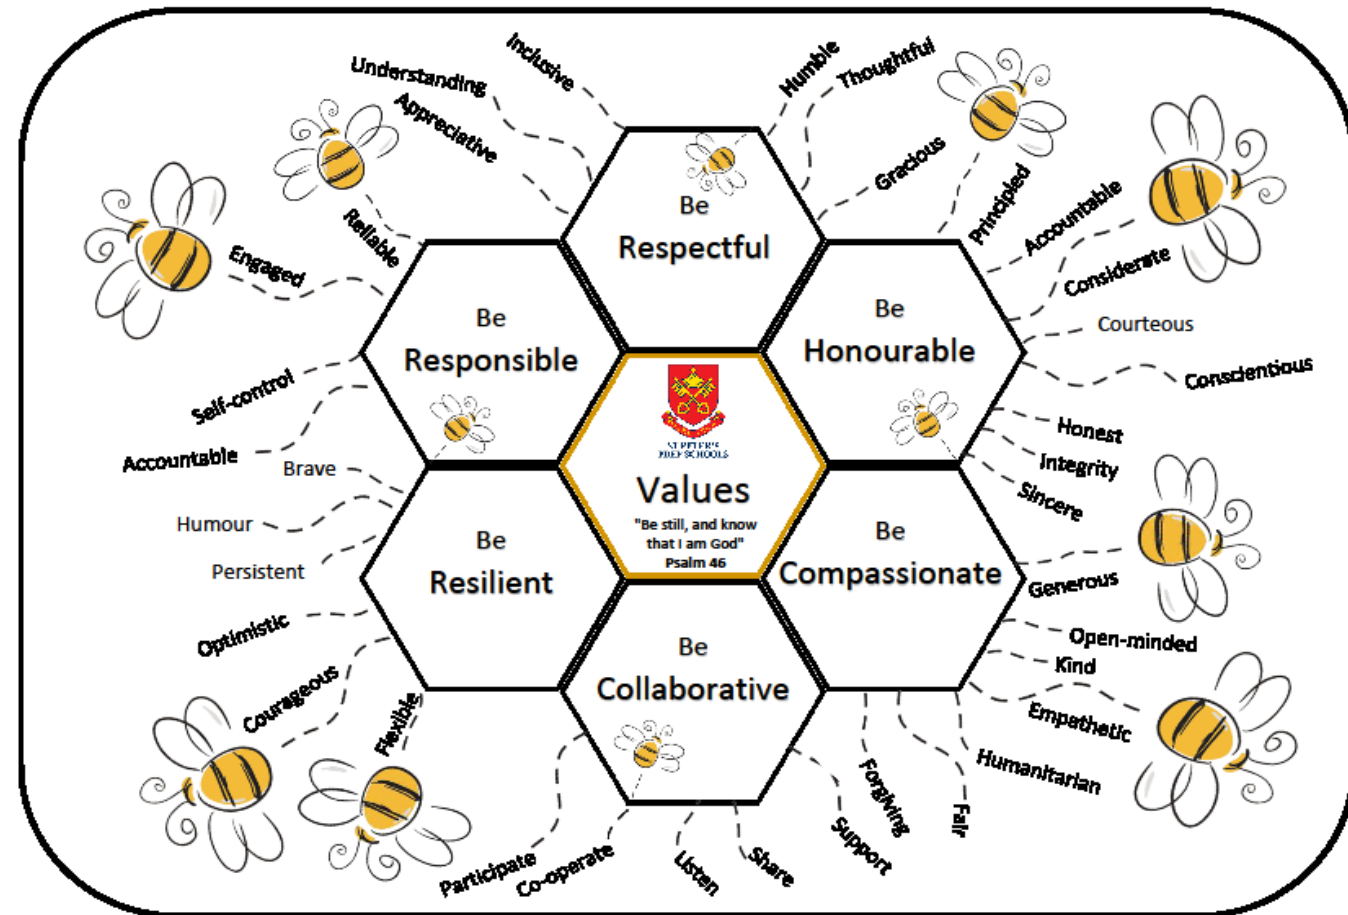

St Peter's is an Anglican school espousing Christian values in every facet of activity, respecting everyone irrespective of colour, creed or background.

Family is of utmost importance to all at St Peter's and at our Pre-Prep we believe in a nurturing and loving approach where all our children feel connected and in their 'happy' place. Their home away from home.

Our core values are, to be: respectful, honourable, compassionate, collaborative, resilient and responsible. We aim to guide and love all our children and help grow their character in strength every day.

“

Children still need a
childhood with dirt,
mud, puddles, trees,
sticks and tadpoles.

Nature provides a rich sensory experience for our children and a healthier and wholesome lifestyle. Our little outdoor explorers will be connected to many wonders of the natural world.

Time spent outdoors provides opportunities to develop balance, co-ordination, agility and motor skills.
